Do you want to learn how to be a good parent and raise a healthy, happy child?

Then our Earn While You Learn program is just what you need!

Our classes are short, helpful, and educational. BrightCourse offers streaming lessons that are research-based, easy to understand, and entertaining to watch.

If you take 6+ parenting classes, you are eligible to receive 80 baby items. If you do not take the classes, you will only receive 40 essential items.

We will call you about 3-4 weeks before your due date to set up a time for you to come pick up baby items.

You earn points for each class that you take! You can redeem the points for anything in our baby boutique after you receive your baby items!
