

EARN WHILE YOU LEARN

Do you want to learn how to be a good parent and raise a healthy, happy child?

Earn While You Learn program is what you need!

The Nurturing Center of Lubbock gives you the opportunity to learn how to be the best parent you can be and help you understand what to expect in pregnancy and beyond. Through regular lessons that include videos and worksheets, you will learn important information about your baby.

HOW IT WORKS

We have designed a pregnancy plan where you can choose how to earn your points and shop in our baby boutique to pick out items in our baby boutique such as diapers, clothing, and so much more.

Our classes are available in office or online through e-mail or text.

WHAT WILL YOU LEARN?

After meeting you, our staff will put together a lesson plan that is specific to your needs.

Each lesson will teach you facts and practical tips to help you in your new journey. There are many topics to choose from and we can help you understand the lessons, challenges and joys that you will go through.
