

THEOLOGY OF THE BODY RETREATS

GOD, RELATIONSHIPS, AND SEXUALITY.

WHAT IS THEOLOGY OF THE BODY?

Theology of the Body is St. John Paul II's first major teaching project as a pope. He taught on what it means to be fully human, male and female. It is a grand proposal to the world of the deepest meaning of life and love made visible in the body.

WHAT DOES IT SAY?

This answers the questions of every human life:

Who am I? Why am I here? How can I be happy?

Through the bible and Catholic tradition, Theology of the Body explains that our bodies reveal the deepest mysteries of God and humanity. It shows us that God wants us to know Him through our humanity; our sexuality, our relationships, our joys, and our struggles.

WHAT DOES IT MEAN?

Theology of the Body proposes a fresh view of God's love that leads to deep awareness of human dignity, identity, and purpose. This vision produces wonder, peace, joy, and sense of reverence for oneself and others. This instills confidence in one's ability to live life as a gift to the world.

Our goal is to rebuild family relationships and show our youth how loved and worthy they truly are, no matter what.
